

Baby's Christening

Beautiful babe, How welcome are you
With your silky brown locks and your
eyes of true blue
Your sweet baby presence, that gladdens the home
Like a great benediction from Heaven sent down
We welcome you here with hearts full of praise
And pray for safe keeping and great length
of days
That you grow to strong manhood, stand for
right unafraid
Ever following the footsteps of the
Bethlehem Babe.

Great-Grandmother
