

"A Mighty Fortress is Our God," and says "Aide With Me!"
"So Carry Your Cross With a Smile" and ware, "Flag of The Free!"
Now Like Columbus, I surely could "Sail On"
But Like "Uncle Ned" I'll "Steal Away," or it will soon ^{be down}
To our leader, "Smile The While," you've served us grandly ^{here,}
"Going Away," woul-be so long, your return, will greet-wel-
"Blest-be the Tie" that binds him, "If Your Heart-keeps Right"
The "Auld Lang Syne" to you friend, and to all a hearty
"Good Night!"
