

If you need something warm to  
cover your hands  
Or like to make you look pretty.  
A night-shirt to put on for your  
day. modestys sake  
or a shirt to make you more fitly.  
Just take these few lines and  
make your own choice  
Of whatever you think youd like best.  
I will please me far better than  
trying my self  
For to me I would be Timothy's Guest.
