

My Faith-

I see but one step ahead
As I enter the coming year
But what seems dark in the distance
May brighten as I draw near.

For the one who cares for his children
Will watch as the Shepherd of old,
To guide and direct their foot steps
As the days and the weeks unfold,

So I press on with faith unshaken
That out of the dark and unrest-
With my hand held fast in my Father's
He will guide me to all that is best.
