[Diary of Nellie Irene (Bates) Thomas (1861-1948)]
1928-1932

This diary is a five-year diary, covering 1928-1932. The title of the diary cannot be read on the cover. It might say: "A Line Today."

Due to the length of the whole diary, each year has been transcribed separately. However at the end of the diary there are various undated notes. Since they do not relate to any particular year, they have been added at the end of the first year diary transcription only, 1928.
